You **Don't** Pay for what you Know, You Pay for what you **Don't** Know!

Ask yourself...

- Why did I sign up for **DROP**?
- What happens if I leave **DROP** early?
- How do I access my **DROP** funds?
- How much will my **Health Insurance** be and do I get a **Health Subsidy**?
- What happens to my **Life Insurance** when I leave?

Dear Florida Retirement System Employee,

You are a participant in the State of Florida's Deferred Retirement Option Program (*DROP*). It is great that you have been proactive in your retirement planning. Most people look forward to retirement, but fail to plan properly. Some make decisions based on the advice of friends and family. Retirement planning however should be individualized, because no two situations are the same. *Greenhouse Financial* wants to make sure that you are aware of all your available options. Things may have change in your life since enrolling in the *DROP*. We would like to offer you the opportunity to take a "second look" at your options.

Our approach is simple... Education, individualized planning, but most importantly, creating confidence in retirement. "Farewell!" to your employer, we are here every step of the way. As a top financial institution that believes in our clients' needs and wants, we work with our clients to ensure that they take ownership of their retirement.

We offer guided assistance with retirement planning. Let's take the Risk off the table and don't let the fear of failure be greater than the Excitement of winning!

Give us a call there is no obligation. Let's Talk!

Sincerely,

Eldred Lewis
